

MEMORANDUM

TO: Building Principals, District Assessment Coordinators, District and Building
MEAP Coordinators

FROM: James A. Griffiths
Manager, Assessment Administration & Reporting

SUBJECT: Corrected Fall 2012 MEAP Mathematics PDF Reports

Replacement PDF reports containing rescored mathematics results for the Fall 2012 Michigan Educational Assessment Program (MEAP) have been posted to the BAA Secure Site (www.michigan.gov/baa-secure). The posted reports include:

1. Parent Report
2. Individual Student Report
3. Class Roster
4. Item Analysis Report
5. Class Item Analysis
6. Comprehensive Report
7. Demographic Report
8. Summary Report

The Student Data Files, Aggregate Data Files, Feeder School Data Files, and the Student Analysis File Extracts (SAFE) were posted earlier for both assessments.

These MEAP reports contain mathematics scores corrected in accordance with the memorandum sent Thursday, May 16, 2013 from Vince Dean, Ph.D. regarding the MEAP and MEAP-Access Mathematics Scoring Issue.

Corrected hard copy reports of MEAP Parent Reports, Individual Student Reports, and Student Record Labels will begin arriving in schools about June 5, 2013 and all shipments should have arrived in schools no later than June 30, 2013.

You will receive an additional notice when MEAP-Access PDF reports have been posted and hard copies are ready for shipment.

If you have questions regarding the reports or data files, please send an email to BAA@michigan.gov or call 877-560-8378, and select option 2.
